ACCOUNTANTS' REVIEW REPORT

The Board of Directors
Assistance League of Antelope Valley
Lancaster, California

I have reviewed the accompanying Statement of financial position of the Assistance League of Antelope Valley. (a not-for-profit organization) as of April 30, 2014 and 2013 and the related statements of activities and net assets, functional expenses and cash flows and supplemental information for the years then ended. These financial statements are the responsibility of the Organization's Management. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

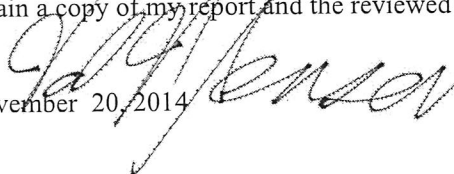

Management is responsible for the preparation and the fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements; I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements and supplemental information in order for them to be in conformity with accounting principles generally accepted in the United States of America.

The financial statements for 2013 presented do not included all disclosures. The reader should obtain a copy of my report and the reviewed financial for the fiscal year 2013.

ASSISTANCE LEAGUE OF ANTELOPE VALLEY

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2014 and 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of Activities

The Assistance League of Antelope Valley (the Chapter) is a nonprofit corporation and is a chartered chapter of National Assistance League. The accompanying financial statements include the activities of Assistance League of Antelope Valley and its auxiliaries: Models and Heartline, Auxiliary I and Auxiliary 2 (collectively, the Chapter). The Chapter provides the following programs:

- Assistance League Preschool, located in Lancaster, California, provides low-cost daycare to families in the Antelope Valley.
- The Chapter's support and revenues come primarily from contributions, daycare tuition, and other fundraising efforts including special events and operation of a thrift shop located in Lancaster, California.

B. Basis of Accounting

The financial statements of the Chapter have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

C. Financial Statement Presentation

The statements are presented in accordance with the provisions of Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) {958-205-45-2}, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC {958-205-45-2}, the Chapter is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

D. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose of restrictions.

E. Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Chapter's financial statements of the year ended April 30, 2013, from which the summarized information was derived.

F. Property, Equipment and Depreciation

Property and equipment are stated at cost or at the fair value at the date of donation for donated assets. The capitalization policy is to capitalize assets with a value of \$400 or more. The Chapter uses the straight-line method to determine depreciation and amortization expense for property and equipment over the estimated useful lives as follows:

Building and Improvements	10- 45 years
Furniture and Equipment	5 - 10 years

Equipment under Capital Lease
Vehicles

6 years

5 years

Contributions of long-lived assets, or of cash or other assets that must be used to acquire long-lived assets, are reported as increases in temporarily restricted net assets. Restrictions are considered met, and an appropriate amount reclassified to unrestricted net assets, over the useful life of the long-lived assets as determined by the Chapter's depreciation policy. Depreciation expense was \$30,682 and \$24,191 for the years ended April 30, 2014 and 2013, respectively.

G. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles could require management to make estimates and assumptions that would affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

H. Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

I. Donated Materials and Services

Significant materials and services are donated to the Chapter by various individuals, Chapters, and other organizations. Donated materials of \$83,428 and \$87,492 in 2014 and 2013, respectively, are reflected in the accompanying financial statements at their fair values at the date of donation. The donated materials consist primarily of used clothing and household items donated by Chapter members and others for resale by a thrift shop operated by the Chapter.

In addition, a significant portion of the Chapter's functions and programs is conducted by unpaid volunteers. The value of this contributed time which does require specialized skills is not reflected in the accompanying financial statements. During the year ended April 30, 2014 and 2013, volunteers donated approximately 11,750 and 11,750 hours with an estimated value of \$257,560 and \$257,560, respectively. This value was computed by using an estimated hourly rate of \$21.92 and \$21.92 based upon the average hourly earnings of non-agricultural workers for the year ended April 30, 2014 and 2013, respectively, as determined by the U.S. Department of Labor Statistics, plus 12% for estimated fringe benefits.

J. Restricted and Unrestricted Revenue

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When the donor's stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period is reported as unrestricted support.

K. Income Taxes

The Chapter is exempt from federal income taxes under Internal Revenue Code Section 50 I(c) (3). In addition, the Chapter qualifies for the charitable contribution deduction under Section 170(b) (1) (A) and has been classified as an organization that is not a private foundation under Section 509(a) (2). The Chapter is also exempt from state income taxes under California Revenue and Taxation Code Section 23701d.

L. Cash and Cash Equivalents

For purposes of reporting cash flows, all highly liquid investments (including restricted assets) with a maturity of three months or less are considered to be cash equivalents.

M. Compensated Absences

Accumulated vacation benefits are recorded as liabilities on the books of the Chapter. The Chapter's policy is to record sick and holiday pay as operating expenses in the period sick leave or holiday is taken. As of April 30, 2014, the total compensated absence liability for accumulated vacations was \$0.

N. Fair Value Measurements

The chapter follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. This guidance establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair values into Levels 1, 2, and 3.

Level 1 inputs consist of unadjusted quoted prices in active markets for identical instruments and have the highest priority. Level 2 inputs include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or inputs other than quoted prices that are directly or indirectly observable. Level 3 inputs are unobservable and are given the lowest priority.

For purposes of financial reporting, the chapter has determined that the fair values of its financial instruments, which include cash equivalents, accounts receivable and accounts payable, approximate the carrying values at April 30, 2012, and 2011, based on their short maturities and/or the terms available to the chapter in financial markets.

O. Deferred Revenue

Membership dues and program service fees collected prior to the fiscal year to which they apply are deferred and recognized over the periods to which the dues and fees relate. The balance of deferred revenue at April 30, 2013 and 2012 was -0- and -0-, respectively.
