Electronic Documents and Records

Shall be retained as if they were paper documents. Therefore, any electronic files, including records of donations made online, that fall into one of the document types on the above schedule will be maintained for the appropriate amount of time. If a user has sufficient reason to keep an email message, the message should be printed in hard copy and kept in the appropriate file or moved to an "archive" computer file folder. Backup and recovery methods will be tested on a regular basis.

Emergency Planning

Records will be stored in a safe, secure and accessible manner. Documents and financial files that are essential to keeping Assistance League operating in an emergency will be duplicated or backed up at least every month and maintained off-site.

Documentation Destruction

The Treasurer is responsible for the ongoing process of identifying its records, which have met the required retention period and overseeing their destruction. Destruction of financial and personnel-related documents will be accomplished by shredding.

Document destruction will be suspended immediately upon any indication of an official investigation, or when a lawsuit is filed or appears imminent. Destruction will be reinstated upon conclusion of the investigation.
